**WORLD
WISH
DAY
2023**

29 April is **World Wish Day** – a day to celebrate inspirational wishes and the communities that make them come true.

In Australia we've had over 10,000 wishes granted since 1985..and counting. Wishes only happen thanks to donors, fundraisers, volunteers and supporters.

With more than **900 critically ill kids** on a Wish Journey in Australia right now, there's never been a more vital time to get involved.

Show your support this World Wish Day by **wearing it blue to make wishes come true** or donating between 26-29 April.

All of us have the power to create inspirational wishes for critically ill Australian children.
